***New Division at IOP***

Iowa Outdoor Products has recently added an Erosion Control division to the company. This exciting new addition will allow us to serve a new segment in our industry. We will now have the capabilities to do silt fencing, along with grading and sodding/seeding. We've been a trusted name in the landscaping industry for 20 years, and we are excited to bring you that same quality within our Erosion Control division. Questions on this new addition? Give us a call today at 277-6242!
