Did You Remember...

- ✓ **Mulch** - keeps your plants insulated against the cold temperatures.
- ✓ **Tree Wrap** - protects your trees from animal and frost damage.
- ✓ **Wilt Pruf** - helps protect against moisture loss in your evergreens (prevents winter burn).
- ✓ **Deer Guard** - ready-to-use spray that helps repel deer and other animals from your plants.
- ✓ **Pond/Fountain Shut-Down** - be sure to remove the pump from your water feature and drain any excess water. For concrete fountains (and pots too), cover with a tarp to prevent any moisture from freezing in the fountain.
