

## **Landscape Design Intern - Seasonal FT or PT**

Iowa Outdoor Products is looking for eager students to help us with this upcoming landscape season. This internship will offer a wide range of opportunities to learn a variety of skills in the landscape design and horticulture field.

We will work with each individual to find out your interests and career goals and work to give you real-time experience in a professional setting.

Responsibilities will include, but are not limited to:

- Assist in landscape design and planning
- Perform assigned duties with minimal supervision in a timely and efficient manner
- Interact with customers to effectively respond to their wishes, needs, requirements and requests
- Assist in retail merchandising and sales
- Plant installation (annuals, perennials, shrubs, container trees and B&B trees)

Qualifications:

- Must have a valid DL and a reliable source of transportation to and from work
- Must be a current undergraduate or graduate student obtaining a degree in landscape design or similar field
- Great communication skills, both written and verbal

What we offer:

- \$15 - \$16/hr
- Room to advance within the company
- Employee discount
