

Horticulture Intern - Seasonal FT or PT

Iowa Outdoor Products is looking for eager students to help us with this upcoming landscape season. This internship will offer a wide range of opportunities to learn a variety of skills in the landscape and horticulture field.

We will work with each individual to find out your interests and career goals and work to give you real-time experience in a professional setting.

Responsibilities will include, but are not limited to:

- Assist in landscape bed maintenance and restoration
- Perform assigned duties with minimal supervision in a timely and efficient manner
- Weeding, pruning, watering, mulch installation and leaf cleanup
- Interact with customers to effectively respond to their wishes, needs, requirements and requests
- Assist in retail merchandising and sales
- Assist with hardscaping projects
- Plant installation (annuals, perennials, shrubs, container trees and B&B trees)
- Occasional landscape design support

Qualifications:

- Must have a valid DL and a reliable source of transportation to and from work
- Must be a current undergraduate or graduate student obtaining a degree in horticulture or similar field
- Ability to lift 50+ lbs, sometimes repeatedly, and work outdoors in varying degrees of weather
- Great communication skills, both written and verbal

What we offer:

- \$13 - \$16/hr
- Room to advance within the company
- Employee discount
