

## **Sr. Landscape Construction Leader - FT**

Iowa Outdoor Products is looking to hire experienced Landscape Construction Crew Leaders with a strong attention to detail to manage a team of 2 to 3 people in the layout, execution and completion of landscape projects on both residential and commercial properties.

Responsibilities include but are not limited to:

- Effectively communicate with designers, customers and crew to perform job duties
- Ability to problem solve using “out-of-the-box” and creative solutions
- Run a clean and efficient jobsite
- Complete daily work tickets
- Train new and existing crew members
- Maintain truck tools and equipments

### Qualifications

- Must have a valid driver's license with a clean driving record and the ability to obtain a CDL (will train)
- GREAT communication skills, both written and verbal
- At least 3 years in landscape construction with experience in retaining walls, patios, edging, planting and grading.
- Experience using an assortment of hand and power tools and general construction equipment
- Ability to lift 75 lbs, sometimes repeatedly, and work outside in varying degrees of weather
- General plant knowledge is preferred

### What We Offer:

- \$18 - \$22/hr
- Health and dental package available after 60-day probationary period
- PTO and holidays

Job Type: Full-time
